

ABOUT US

WE'RE NOT ONLY LOCO ABOUT FOOD, OUR BAR IS JUAN IN A MILLION!

We've invested a lot of time researching and testing weird and wonderful recipes for you to enjoy in the little slice of heaven that is Tinga! Freshly made cocktails ranging from frozen margaritas to our signature specialities, all crafted to tickle your taste buds and take you on a journey to central America.

Along with Mexican delights on the menu, you can also order the usual classics and mocktails from our talented bar team. We spend a lot of time training the team and only use premium ingredients in our drinks to ensure you get the best every time!

We also have a wide range of beers, wine, sparkling wines and soft drinks. These are a mixture of Mexican imported products and some other favourites that pair well with our food.

If you're peckish, we have a bar menu of small eats from our kitchen that aren't too messy or filling and go fantastically with our drinks. This list can be found at the back of this menu.
